

August 5, 2008: National Underwear Day

Freshpair.com founded and hosts National Underwear Day, a huge event to celebrate underwear! And you know we love some hot guys (and ladies I suppose) in their underwear! Lydia Hearst was the celeb host, and she was a vision. Muzzy and I (wearing Missoni, Dior, and a fab purple Rod Keenan hat) went to check it out, and the debauchery ensued! Pictured below with the handsome president of Freshpair.com, Michael Kleinmann, the glamorous Lydia Hearst, a very hot and tattooed Tyson Beckford, and fab designer Marc Bouwer.
