

Morning Quickie: FreshPair.com

This week has been so full!

Last night made it out to a runway presentation sponsored by www.freshpair.com...

...the show had tons of hot models in skivvies by Sean John, Wacoal, Diesel, and DKNY among others.

Had to say 'hey' to a few of my peeps...

...**Phillip Bloch** (who is always so sweet)...

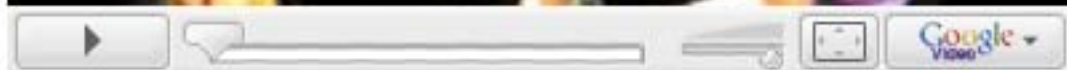

...twins and shoe designers **Shane & Shawn**...

...and Tyson! How happy do I look? Just cheesin!

Anyway the event was lots of fun. Check out the final walk to get an idea of the show:

...and get your underwear at www.freshpair.com!

**Thanks Genevieve*

*Like my dress? I got it at **Pieces** of course! Are you convinced yet???
